

GLOBAL MISSIONS PROJECTS 2015

GOD'S WORD IS CALLING YOU INTO HIS MISSION!

We want you to join us in the mission God has given us — to make disciples who learn from Christ, live for Christ and lead others to Christ. Our heart is God's heart, to see all peoples, nations, tongues and tribes receive the Gospel of Jesus. Learn more about mission opportunities online at pinelake.org/missions or sign up for a short-term team by completing the online application at <http://bit.ly/PLGlobalMissionApp>.

AFRICA

Lesotho and Botswana have a disparate number of orphans and many of them are casualties of the ongoing AIDS crisis. Unfortunately, the problem of properly caring for these orphans is compounded by the lack of life-giving, evangelical churches. Pinelake is partnering with Reclaimed Project and local, indigenous churches to establish healthy orphan care in these beautiful and fascinating countries.

SOUTH ASIA

Mumbai, India

The people you meet in Mumbai are very friendly and open to hearing Bible stories. Some of them are new Christians in need of encouragement and support, while many others are in the process of counting the costs of becoming a Christ-follower. Many children in Colombia grow up impoverished in every way — materially, academically and especially spiritually.
